The eco efficient paper !
 Fewer resources – Using this paper instead of typical 80 gsm paper you can print the same quantity using much less resources and producing less waste after print.
 No paper jams – The extraordinary thickness and stiffness of this innovative product enable it to have an outstanding performance in all the copy and printing machines.
 100% Satisfaction Guarantee – Be confident as we are: if you are not 100% satisfied, we will replace the paper.
 Flexibility – You can choose the size or package that fits better your needs: A4, A3, 2 and 4-holes punched in normal 5 reams box or Fastpack (only available in A4).
