

I LOVE PAPER. Paper has helped the growth of my self-awareness. **It's key for my interior designs.** *Reminders!* **it tracks the notes of my Favourite** saxophone songs. **IT HAS CERTIFIED MY UNIVERSITY DEGREE.** *My tears have fallen on it.* *And been **travelling** on trains and planes with me.* Registered my marriage and my divorce. Got the images of my kids before they were born. **Still is the only type of** *acroplane allowed to fly in our living room.* **SURPRISE** *d me at Carnival.* **CAUGHT MY COLDS.** *Received my poems.* Sent **KISSES** and my **BEST** wishes !! **Mapped cities and treks.** **WRAPS AND PACKS.** Together we discovered how to write. And also how to **READ.** Has been my **COMPANION** during sleepless nights. *Buying and bucket listing.* **WILL TRUST IT FOR MY WILL.** **Every PLAN** looks good on it. **Lights my fire** ^{place.} Helps me cook recipes and cleans benches and hands. Keeps track of my bills and expenses. **PAPER IS ONE OF MY BEST AND OLDEST FRIENDS. Reliable!** *I could not imagine my life without it.*
